Because negotiations continued in good faith, WisDNR requested another 180-day extension on August 21, 2009, and its request indicated a possibility that the City of Green Bay, WI would seek to replace WisDNR as the trail user. WisDNR has approved funding for this project and is currently examining two appraisals to determine the allocation amount. Upon completion of the funding process, the transaction will be cleared for consummation. WCL has indicated it will concur with the City of Green Bay's request for an extension.

MOTION
